About Zero2IPO

Zero2IPO Group (Zero2IPO) is a leading integrated service provider in the China venture capital and private equity industries. Our professional team has the expertise and industry market knowledge to provide a wide range of services to both local and international clients. These include Financial Advisory Services (FAS), Financial Information Services (FIS) and Media & Network Services (MNS). FAS offers advisory services on private placement, IPO, M&A, corporate restructuring as well as investment consultancy. FIS provides first hand information and research services on venture capital industry, IPO and M&A markets, as well as high-growth enterprises and industries in China. MNS hosts venture capital forums and club events, as well as professional seminars for entrepreneurs.

Since 2001, Zero2IPO has organized 10 China Venture Capital Conferences and more than 47 Z-Club events. The Group also publishes annual reports on the China venture capital market and conducts annual VC rankings in China. Zero2IPO has successfully advised and assisted more than 20 high-growth enterprises for equity financing exceeding US\$100 million. Being an unbeatable deal flow and network source, Zero2IPO-Club comprises over 130 investor members and close to 200 enterprise members, representing the strongest and most notable investment network in China.

Over 5 years of development, Zero2IPO's China venture capital annual reports and annual rankings have become the most authoritative source on the China venture capital industry today. China Venture Capital Forums, organized by Zero2IPO Group, are one of the most influential events for key decision makers of venture capital and private equity sectors.

About Zero2IPO Research Center

Established in Nov. 2001, Zero2IPO Research Center aims to provide professional research reports and custom researches for relevant professionals in the Greater China Region. Our research ranges from venture capital, private equity, IPO, M&A to TMT industries. Today, Zero2IPO Research Center has been regarded as the most accurate, complete and representative information source on investment, exit, fundraising and VC/PE-backed deals by many investment banks, venture capital and private equity funds, consulting firms, ventures and media.

In addition, Zero2IPO Research Center plans to launch brand-new China Venture Database in 2007. The database collects elaborate data related to China VC industry, covering VC, PE, M&A, and IPO, and so on. As the most authoritative portal platform for China VC industry, China Venture Database will provide online database services for subscribed customers with latest, deep-in, all-around comprehensive information and convenient, efficient, and digital application functions.
